
WORD POWER GAME

RULES

- Divide the class into two teams.
- One team should be the clue giver, the other team should be the guessers!
- The other team is not allowed to see the cards.
- The clue givers team is not allowed to get help from the team.
- A person from the clue giver team should turn the Paper Wheel first. They need to complete whichever task comes to their side.
- The guessers should hold time of 1 minute or 2 minutes. (Teacher should decide)
- Try to guess as much words as possible.
- Every word makes 10 points.
- Whichever team gets the most point wins!
- Good Luck!
