Axebug : Ahaa! This is exactly what a WORMHOLE looks like. **Q6LB1**

Ladybug : It is a SPHERE then. **Q6LB2**

Axebug : Yes it is.

Axebug : When we entered the sphere, we passed millions of kilometers in a FEW MINUTES. **Q6LB3**

Axebug : So how did this happen?

Axebug : It is a piece of cake for me to explain. Just give me a pen and paper.

Axebug : This is a CIRCLE, right? **Q6LB4**

Axebug : This is where we are.

Axebug : And this is where we want to REACH. **Q6LB5**

Axebug : We will TRAVEL this point to the other. **Q6LB6**

Axebug : But it is far, isn't it?

Axebug : So let's fold the paper and match a point to b.

Axebug : The wormhole WARPS space just like this. **Q6LB7**
