Warm up (5 min)

Ask the students what a 'headquarter' is. Write their thoughts on the board.

Presentation (15 min)

First, ask students to listen to the recording silently without opening their book. Then, ask students to listen once more, but this time they follow the story on their comic book while listening to the recording. Later, 3 students will be selected and assigned a character. Then, they will read aloud their sentences.

While the students are reading, take notes of any pronunciation problems that you might notice.

Ask students to underline any unknown vocabulary items. Set up a routine for who will read the text, so that each week different students get a chance to read.

Practice (10 min)

Ask students which vocabulary items they don't know. Using the flashcards and the smart board application, explain the word meanings to the students. Remember using your comic book as a context to explain words as well.

Then, ask students to close their comics and then ask the following questions to check their comprehension.

- What is the title of Episode 4?
- Who are they captured by? Why?
- What do you know about colonies?
- What is your favorite part in Episode 4? Why?

End of the Lesson (10 min)

Dictionary Game: Write the underlined words on the board. Choose 3 students to come to the board with their dictionaries. Tell students one of the words written on the board, and start the stopwatch. The students who finds the meaning of the word first would earn a point. The student who gets 3 points will be the winner of the game.

Homework. Activity Book, pages 26 and 27.
