

SHOW TIME

- 1 Students can get dressed as Astronauts.
They can prepare their own outfit and accesories.
- 2 Brownie Race is a great idea to have fun.
While eating, students are to try to say the words
that the teacher has given them.
As they continue to eat, harder to talk!
- 3 A Wheel of Fortune game can be designed in the
garden.
- 4 Students can bake round shaped cookies and talk
about which planet it looks like the most.

- 1** Students can get dressed as Robots.
They can prepare their own outfit and accessories using recycled materials.
- 2** Robots need oil, so make French Fries!
Students can bring fries from home and have a party.
- 3** Drawing a story is a perfect way to interact.
In pairs, students can build up a story together. One student eyes wrapped, the other student should tell a story. Eyes wrapped student will try to draw on the Wall (or the board etc.
- 4** Students can try to make robot dances together with the same moves and have fun!

- 1 Painting Axebug, Dung Beetle or Ladybug on a White T shirt will be great!
- 2 Students can have fun freely and play karaoke together!
- 3 Students can wear their favorite outfit or dress like their favorite singer!
- 4 Make some milkshake with the students.

- 1 Students can dress like gangsters.
- 2 Gangsters love Spaghetti!
Make spaghetti with the students in the garden!
- 3 Students can play partners in crime with a friend.
Hide some word or question cards in the garden and give them time to try to find them.
Whoever gets the most cards, or answers the questions correctly can be the winner team!
- 4 Choose one student to be 'Bossroach'.
Only he/she will know this but not tell anyone else, so he/she should act ordinary.
The other students in the classroom can try to guess by checking the clues that you hand them all day. The winner can win a prize!
